

LLB time deposits – the safe investment option

LLB time deposits in detail

You invest an amount determined by you (at least CHF 5'000) for a specific period of time at an interest rate fixed in advance.

You can also make your investment in a variety of currencies.

The terms can be freely chosen between more than one to a maximum of ten years. Interest is paid annually at the specified rate.

Your benefits at a glance

Calculable interest rate terms

Interest is based on the capital market rate and will be fixed in advance for the entire term.

Flexible structure

You determine the amount, the currency and how long you invest your money.

Safe investment

Interest is fixed for the entire term. When the agreed term ends, your invested capital, including interest, is repaid to you.

No fees

No custody fees or commissions are charged for a time deposit investment.

Please contact us for more information, as well as an overview of possible currencies and current interest rates.
