With LLB Pro for families and couples you get all accounts and cards for an all-in fee, meaning it's really easy for you to keep track of things. In addition, alongside your joint account you also have independence with free individual accounts.

- Multiple private and foreign currency accounts make it easier for you to keep track of your finances.
- Mobile payment makes it easy to pay whenever and however you want, using your smartphone.
- Cash withdrawals with your Visa debit card are free of charge worldwide.
- LLB Pro is free of charge if you already use one of the LLB Comfort, LLB Expert or LLB Consult advisory models.
- You benefit from attractive preferential interest rates on your savings account.
- Two additional free individual accounts.
- Travel without limits with our debit and credit cards (classic / gold).
- We provide you with all-round support for your banking transactions, both digitally and locally.
- Banking packages for your children are free of charge.

That's how it works

The joint account provides the basis for your joint LLB Pro. If either of you also opens an individual account at LLB, we'll waive the price of the respective LLB Light package. This means you can each save up to CHF 9.80 per month.
