

Pay securely online  
with 3D Secure

Enjoy all the benefits of your Visa debit card – securely and conveniently. Activate 3D Secure in your LLB Banking app to approve your online payments and provide them with the best possible protection.

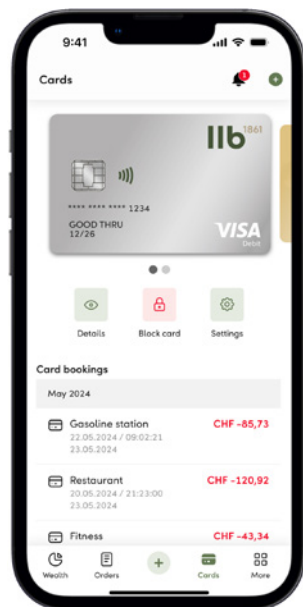

### Why 3D Secure?

3D Secure offers **additional protection when making payments online**. Two-factor authentication ensures that only you can use your card.

### How to activate 3D Secure:

1. Open the LLB Banking app.
2. Go to Cards.
3. Select Settings.
4. Tap 3D Secure Push registration (Please ensure that push notifications are enabled for the LLB Banking app).

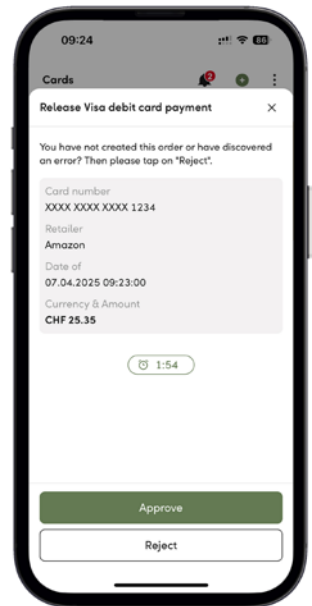

### This is how easy it is to make payments online:

1. Start the payment process in an online shop.
2. You will automatically receive a push notification on your smartphone.
3. Open the push notification and approve the payment with a single tap – or reject it.

### Your Visa debit card – enjoy even more benefits in the LLB Banking app:

- Activate mobile payment services
- Block and unblock cards
- Transaction notifications
- Limit management
- Customise geoblocking
